Hope Creative Café

Hope Creative Café is on Facebook!

This project is kindly funded by North Yorkshire County Council Stronger Communities initiative

Brighter Futures and Magnetic Arts will be launching the Hope Creative Cafe on the 25th of January from 4:30 - 7pm at Hope Yard Cafe in Selby. RSVP to join us for a celebration and help shape the new project. The creative cafe will then open to support people through mental illness **every Wednesday evening from the 1st of February 4:30 - 7pm at Hope Yard Cafe.** The project will run initially for 50 weeks through 2017 and will have a variety of visiting artists and a resident artist to help people to get creative in a positive supportive environment. We believe in the power of creative activity (as well as a cup of coffee and a chat with friends) to help in the process of recovery so come along and find out what we are up to. The café will be open exclusively for us and food and drink is very reasonably priced.

An exciting new partnership!

We work in partnership with others to devise and deliver innovative arts projects, which improve peoples' health and increase their sense of well-being.
